

AS618SB Paper Shredder

The Aurora AS618SB is a reliable personal shredder for home use that can shred up to 6 sheets of paper at a time into 7mm strips. In addition it can also shred 1 credit card at a time and if staples find their way into the shredder it will shred these too. The 9 litre bin provides good storage for shredded waste and has 3 viewing slots to show when it is getting full. The AS618SB also has a thermal cut out to prevent the shredder from over heating and a reverse setting for clearing paper jams. Overall a great small shredder for the home that shreds quickly and quietly.
