

AS105MQ Paper Shredder

The Aurora AS105MQ is a micro cut paper shredder that will shred up to 10 sheets of paper at a time into very secure 3 x 9mm pieces meaning an A4 sheet is shredded into over 2000 particles. It can also shred 1 credit card at a time and there is a separate slot for CD destruction. The AS105MQ is equipped with ShredSafe, an adjustable safety cover which can be used as an emergency stop, it will also stop the shredder should it detect forced entry of any kind. The AS105MQ has a large 26.5L pull out waste bin which is easy to empty and castors on the base make it easy to move the shredder around. The AS105MQ is ideal for offices and users who require a high security shredder which is also quiet and has a large waste capacity.

- 10 sheet micro cut shredder
- Shred size 3 x 9mm
- Security Level P5
- ShredSafe® safety shut off
- 26.5 Litre pull out waste bin
- Destroys CDs and credit cards
- Castors for easy movement
- Quiet 58dB Induction Motor

The separate CD shredding slot will strip cut a CD into 4 pieces securely destroying it.

Security Level P5

Shreds CDs

Shreds Credit Cards

Safety Cover

Special Features

ShredSafe® is an adjustable safety cover which can act as an emergency stop, it will also stop the shredder if it detects any forced entry

The shredder will securely destroy one credit card at a time by cross cutting it into small pieces

The 25 litre pull out waste bin is both spacious and easy to empty

360° rotatable wheels mean the shredder is easy to move around
