

AS106 Paper Shredder

The Aurora AS106 is a micro cut paper shredder that will shred up to 10 sheets of paper at a time into very secure 3 x 9mm pieces meaning an A4 sheet is shredded into over 2000 particles. It can also shred 1 credit card at a time. The AS106 has a 19L pull out waste bin which has a viewing window built into the handle to see when it is full and there are also castors so moving the shredder around is easy.

The optional feature of TouchGuard® is available, this is a safety cut out which activates if the shredder senses that fingers are too close to the paper entry slot.

The AS106 is ideal for small offices and users who require a high level of security and a well designed shredder.
