

AS1236C Paper Shredder

The Aurora AS1236C is a cross cut paper shredder that will shred up to 12 sheets of paper at a time into very secure mini-cross cut sized pieces (4 x 12mm). It will also shred 1 credit card or destroy 1 CD at a time and will easily cope with paperclips and staples if these are accidentally shredded. The AS1236C has a large 25.4 litre pull out waste bin which is very easy to empty and there is a viewing window built in to the handle to show when the waste bin is getting full. Castors on the base of the shredder make it easy to move around so the shredder can be easily relocated. The AS1236C is ideal for offices and users who require an increased level of security, and a movable easy to empty shredder.
