

AS1290CM Paper Shredder

The Aurora AS1290CM is a cross cut paper shredder that will shred up to 12 sheets of paper at a time into very secure mini-cross cut sized pieces (4 x 12mm). In addition it can also shred 1 credit card at a time, and if small paper clips or staples find their way into the shredder it will shred these to. The AS1290CM is equipped with ShredSafe, an adjustable safety cover which can be used as an emergency stop, it will also stop the shredder should it detect forced entry of any kind. The AS1290CM has a compact desk side design with a dual paper entry slot so paper can be inserted from either side and the 15L pull out waste bin is easy to empty. The AS1290CM is a compact shredder suitable for small offices and users who require an increased level of security.

- 12 Sheets cross cut shredder
- Shred size 4 x 12mm (mini cross cut)

Shreds Credit Cards

Safety Cover

Special Features

ShredSafe® is an adjustable safety cover which can act as an emergency stop, it will also stop the shredder if it detects any forced entry

The dual paper entry slot allows paper to be fed in from either side of the shredder meaning it can be easily used on either side of a desk

The shredder will securely destroy one credit card at a time by cross cutting it into small pieces

The 15L pull out waste bin is easy to empty and there are casters making it easy to move the shredder around
