

## AS1530MQ Paper Shredder

The Aurora AS1530MQ is a micro cut paper shredder that will shred up to 15 sheets of paper at a time into very secure 2 x 12mm pieces meaning an A4 sheet is shredded into over 2500 particles. It can also shred 1 credit card and destroy 1 CD at a time. The AS1530MQ has a 32L pull out waste bin which has a large mesh viewing window to show when it is full and there are also castors so moving the shredder around is easy. There is an auto reverse feature in case of paper jams and the ultra quiet motor means noise levels are kept to just 60db. The AS1530MQ is ideal for offices and users who require a high level of security and a quiet high capacity shredder.

- 15 sheet micro cut shredder
- Shred size 2 x 12mm
- Security Level P5
- 32 Litre pull out waste bin
- Destroys CDs & credit cards
- Castors for easy movement
- Auto Reverse
- Quiet Operation

Compact desk side design and pull out waste bin

Security Level P5

Shreds Credit Cards

Destroys CDs

## Special Features

The shredder will securely destroy one CD at a time

## Accessories

In order to keep a shredder in optimal working condition it is necessary to carry out regular maintenance. The Aurora SP1000 provides a clean and efficient way of lubricating, cleaning and sharpening the shredders cutting blades. Available in a convenient pack of 12 sheets, simply shred one of the SP1000 sheets at least once a month to maintain your shredder and prolong its working life.
