

AS370C Paper Shredder

The AS370C can shred up to 3 sheets of paper at a time into small 5 x 40mm particles and if small paper clips or staples find their way into the shredder it will shred these to. The 9 litre bin will contain around 70 sheets before it needs emptying and has an opening at the front so you can see when the bin is full. The simple control switch has 3 positions; 'Off' turns the shredder off, 'Auto' is for shredding, simply insert some paper to commence shredding, and 'Rev' reverses the shredder in case you need to clear a jam.

- 3 sheet cross cut shredder
- Shred size 5 x 40mm
- Security Level P3
- 9 Litre waste bin
- Compact space saving design
- Overheat and safety protection

Technical Specifications

Shred Type	Cross Cut
Shred Capacity (Sheets/75gsm)	3
Shred Size (mm)	5 x 40mm
Particles per A4 Sheet	>300
Security Level (DIN66399)	P-3
