

## AS580C Paper Shredder

The Aurora AS580C is a cross cut paper shredder that will shred up to 5 sheets of paper at a time into secure 5 x 42mm pieces meaning an A4 sheet is shredded into over 290 particles. In addition it can also shred 1 credit card at a time and if paper clips or staples find there way into the shredder it will shred these to. The AS580C has a compact desk side design with an 8 Litre pull out waste bin. The bin has an handle and viewing window and is easy to empty. The AS580C has a stylish modern design and is suitable for home and small office users who require a desk side shredder.

- 5 sheet cross cut shredder
- Shred size 5 x 42mm
- Security level P-3
- 8 Litre pull out waste bin
- Shreds credit cards
- Stylish modern design

Compact desk side design  
and pull out waste bin

Security Level P3

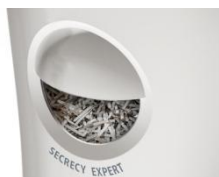

Shreds credit cards

## Special Features

The shredder is modern and stylish with curved lines and a space saving desk side design

There is a viewing window built into the handle to show when the bin is getting full

The shredder will securely destroy one credit card at a time by cross cutting it into small pieces

The 8 Litre pull out waste bin makes it easy to open and dispose of the shredded waste.
