

AS680SB Paper Shredder

The Aurora AS680SB is a reliable personal shredder for home use that can shred up to 6 sheets of paper at a time into 6mm strips. In addition it can also shred 1 credit card at a time and if staples find their way into the shredder it will shred these to. The 10 litre bin provides good storage for shredded waste and has a convenient access area at the front of the bin for non shredding waste. The AS680SB also has a thermal cut out to prevent the shredder from over heating and a reverse setting for clearing paper jams. Overall a great small shredder for the home that shreds quickly and quietly.
