

AS810SD Paper Shredder

The Aurora AS810SD is a reliable personal shredder for home and office use, that can shred up to 8 sheets of paper at a time into 6mm strips. In addition it can also shred 1 credit card at a time and there is also a separate slot for CD destruction. The 12.3 litre bin provides good storage for shredded waste and there is an opening for disposing of any waste that doesn't require shredding. The AS810SD also has a thermal cut out to prevent the shredder from over heating and a reverse setting for clearing paper jams. Overall a great small shredder for the home or office that shreds quickly and quietly.
