

AS890MQ Paper Shredder

The Aurora AS890MQ is a micro cut paper shredder that will shred up to 8 sheets of paper at a time into very secure 3 x 9mm pieces meaning an A4 sheet is shredded into over 2000 particles. It can also shred 1 credit card at a time. The AS890MQ is equipped with ShredSafe, an adjustable safety cover which can be used as an emergency stop, it will also stop the shredder should it detect forced entry of any kind. The AS890MQ has a compact desk side design with a dual paper entry slot so paper can be inserted from either side and the 15L pull out waste bin has a viewing window built into the handle, there are also castors so moving the shredder around is easy. The AS890MQ is a compact shredder suitable for small offices and users who require a high level of security.

- 8 sheet micro cut shredder
- Shred size 3 x 9mm
- Security Level P5
- ShredSafe® safety shut off
- Dual paper entry slot
- 15 Litre pull out waste bin
- Shreds credit cards
- Castors for easy movement

Compact desk side design
and pull out waste bin

Security Level P5

Shreds Credit Cards

Safety Cover

Special Features

ShredSafe® is an adjustable safety cover which can act as an emergency stop, it will also stop the shredder if it detects any forced entry

The dual paper entry slot allows paper to be fed in from either side of the shredder meaning it can be easily used on either side of a desk

The shredder will securely destroy one credit card at a time by cross cutting it into small pieces

The 15L pull out waste bin makes it easy to empty and there is a viewing window so you can see when it is full

Technical Specifications
