

SC236 Semi-Desk Calculator

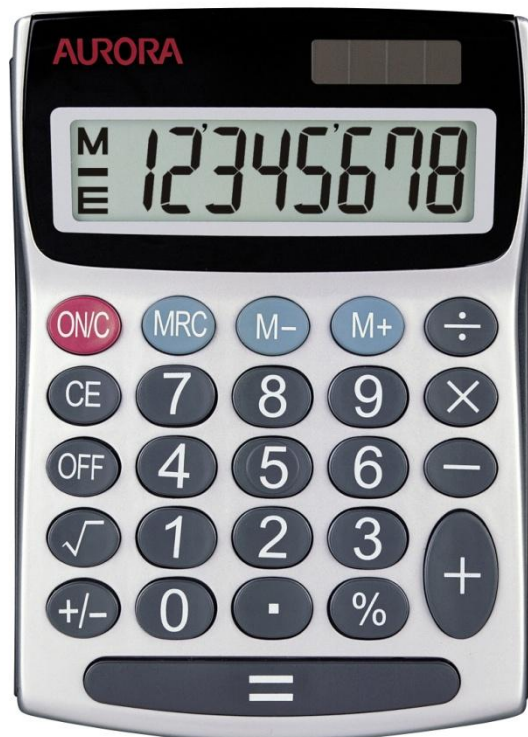

The Aurora SC236 is a very useful semi-desk sized general purpose calculator, which has a large 8 digit LCD display to enable easy viewing. The calculator is designed for ease of use with durable hard plastic keys, a large addition key and Aurora's patented long equals bar to enable speedy calculations. All the expected maths features are present, including square root and percentage. The SC236 is solar powered with a battery back-up and is a reliable quality product which is very good value for money.
